Unincorporated Compton (Willowbrook), California 90222

SYNOPSIS

On Sunday, September 6, 2020, Deputies Christopher Cenderelli, [redacted], [redacted], [redacted], and [redacted], [redacted], were involved in a use of force with Suspect Marcus Jenkins Jr. during a call for service regarding a vandalism. The deputies attempted to detain Suspect Jenkins for vandalism when he became combative, resulting in a use of force. Deputies Cenderelli, [redacted], and [redacted] were injured. Suspect Jenkins was also injured and treated at Martin Luther King Jr. (MLK) Community Hospital for a broken rib, a punctured lung, and multiple contusions on his face. Suspect Jenkins was subsequently transferred to Saint Francis Medical Center for further treatment.

On Monday, September 7, 2020, an Internal Affairs Bureau (IAB) Force Rollout Team comprised of Lieutenant Deryl Walker [redacted], Sergeant Paulette Cain, [redacted], and Sergeant Michael Maxwell [redacted], responded to MLK Community Hospital regarding a Category 3 use of force.

SUMMARY

On September 6, 2020, at approximately 1920 hours, Century Station desk personnel received a priority call for service at [redacted] East El Segundo Boulevard, in the unincorporated area of Compton (Willowbrook), regarding a vandalism call, Century Incident #CEN20250-0214 **[Exhibit B]**. The call indicated a male Black (Suspect Jenkins), was destroying property with a hammer. Suspect Jenkins was described as wearing a white shirt and black shorts and was possibly under the influence of narcotics. Unit 213E, Deputies Cenderelli and [redacted] assumed the primary handle of the call. Unit 214E, Deputies [redacted] and [redacted] were assigned as the assisting unit.

Deputy [redacted] coordinated with responding deputy personnel over the radio and designated a meeting point for the call, two properties east of the location.

At approximately 1923 hours, Century Station desk personnel updated the call on the Local Tactical frequency (L-TAC), to advise responding units Suspect Jenkins was inside the location and did not live there. Deputies Cenderelli, [redacted], [redacted], and [redacted] arrived within moments of each other at the designated meeting point. The deputies then walked up the driveway to the location. Suspect Jenkins was seated on a large white ice chest, near the southwest corner of the exterior of the residence, near a chain-link fence.

Deputies Cenderelli and [redacted] contacted Witness [redacted] inside the residence. Witness [redacted] identified himself as the informant of the call and told the deputies Suspect Jenkins damaged items inside the residence at [redacted] East El Segundo Boulevard in the unincorporated area of Compton.

Simultaneously, Deputies [redacted] and [redacted] contacted Suspect Jenkins outside of the residence. Deputy [redacted] asked Suspect Jenkins if he called the police. Suspect Jenkins advised he did not. Deputy [redacted] asked Suspect Jenkins what happened to the vehicle he was seated next to (the deputies observed a black sedan with broken windows parked in the driveway). Suspect Jenkins stated he damaged the vehicle with a hammer. Deputy [redacted] ordered Suspect Jenkins to stand up and place his hands behind his back to detain him pending a vandalism investigation. Suspect Jenkins refused to comply and yelled the deputies would have to kill him. Deputy [redacted] attempted to calm Suspect Jenkins down. Suspect Jenkins remained non-compliant. Deputy [redacted] gave Suspect Jenkins numerous commands to stand up and place his hands behind his back.

Upon hearing Suspect Jenkins yelling, Deputies Cenderelli and [redacted] exited the residence. Deputy Cenderelli ordered Suspect Jenkins to stand up and place his hands behind his back. Suspect Jenkins refused to comply. He remained seated on the ice chest and held a cellphone in his left hand. As Deputy Cenderelli approached Suspect Jenkins, Suspect Jenkins lunged forward, from approximately 3 feet away, and swung his left hand with the cellphone toward Deputy Cenderelli's face. Deputy Cenderelli stepped back to avoid being struck. Deputy Cenderelli punched Suspect Jenkins with his right hand, once, on the left side of his face. Suspect Jenkins fell on his right side on top of the ice chest.

Suspect Jenkins sat up on the ice chest and slid his body away from the deputies. He raised his hands, in clinched fists, near his face and bladed his body in a fighting stance. Deputy [redacted] attempted to grab Suspect Jenkins' left hand. Suspect Jenkins pulled away and attempted to punch Deputy [redacted]. Deputy [redacted] punched Suspect Jenkins with his right hand, approximately five to eight times, on the left side of the face. Deputy [redacted] stopped, and reassessed for any potential angles to control Suspect Jenkins, and to prevent further assault. Simultaneously, Deputy [redacted] broadcasted

emergency radio traffic over the duplex patch radio frequency, advising of deputies involved in a fight. Deputy Cenderelli broadcasted the address.

Deputy [redacted]'s punches appeared to have little to no effect on Suspect Jenkins. Suspect Jenkins grabbed onto the chain link fence with his right hand in an apparent attempt to give himself leverage and stand up. Deputy [redacted] grabbed Suspect Jenkins right arm in an effort to control Suspect Jenkins. Deputy [redacted] was unable to release Suspect Jenkins' grip of the fence. Deputy [redacted] punched Suspect Jenkins with his right hand once in the face. Deputy [redacted] reassessed and ordered Suspect Jenkins numerous times to stop fighting. Suspect Jenkins did not comply. Suspect Jenkins kicked his legs back and flailed his body back and forth in an attempt to break free from Deputy [redacted]'s control. Suspect Jenkins yelled numerous times for the deputies to kill him.

Suspect Jenkins tucked his hands under his body. Deputy [redacted] ordered Suspect Jenkins, again, to stop fighting and to provide his hands. Suspect Jenkins did not comply. He continued to kick his legs back and flail his body back and forth. Deputy [redacted] punched Suspect Jenkins, again, with his right hand approximately twice on his face. The punches appeared to have little to no effect on Suspect Jenkins and he continued to flail his body and kick his legs.

Suspect Jenkins turned his body to the right and leaned forward on the ice chest. Deputy [redacted] lost his control of Suspect Jenkins' right arm. Suspect Jenkins attempted to reach for a broken wooden mop handle, approximately one foot away. The wooden mop handle was approximately four feet in length with a sharp jagged edge and propped up against the chain link fence. Deputy [redacted] ordered Suspect Jenkins not to reach for the wooden mop handle. Suspect Jenkins did not comply and continued to reach for the wooden mop handle.

Deputy [redacted] punched Suspect Jenkins, again, with his right hand approximately twice on his face. Simultaneously, Deputy [redacted] punched Suspect Jenkins with his right hand approximately five to eight times on the left side of his face. Suspect Jenkins continued to flail his body and kick his legs. Deputy [redacted] attempted to grab Suspect Jenkins right arm; however, Suspect Jenkins flailed his body. Deputy [redacted] took control of Suspect Jenkins' right arm. Deputy [redacted] grabbed control of Suspect Jenkins' legs. Deputy Cenderelli utilized his right knee to strike Suspect Jenkins' lower right abdomen area, as Suspect Jenkins flailed his body. Deputy Cenderelli paused in between each knee strike and ordered Suspect Jenkins to stop fighting. During one of the knee strikes, Deputy [redacted] punched Suspect Jenkins in the face. After the fourth knee strike, Suspect Jenkins stated he would comply. The involved employees turned Suspect Jenkins onto his stomach and placed his hands behind his back. Deputy [redacted] handcuffed Suspect Jenkins without further incident.

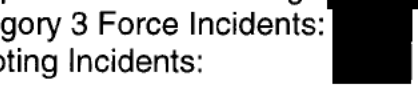

Suspect Jenkins was escorted to a patrol vehicle by responding deputy personnel where he was treated by Los Angeles County Fire Department (LACoFD) paramedics.

Suspect Jenkins was transported to MLK Community Hospital for further medical treatment.

SUSPECT INJURIES

Suspect Jenkins was treated on scene by the LACoFD. He was subsequently transported to MLK Community Hospital. Suspect Jenkins was treated by Doctor Jeffrey Dayton for a broken right-side rib, a possible punctured lung, and contusions to the head. Doctor Dayton subsequently admitted Suspect Jenkins for a displaced fracture of the right posterior eighth and ninth rib, right pneumothorax, right lower lobe pulmonary contusion, right hemothorax, subacute to chronic fracture of the posterior right third rib, age indeterminate mild wedge compression of a vertebra, and subcutaneous stranding over the anterior neck. **[Exhibit I, MLK Medical Report]**.

On September 7, 2020, IAB investigators responded to MLK Community Hospital and contacted Suspect Jenkins. Doctor Dayton formed the opinion Suspect Jenkins' injuries were consistent with a struggle and fight. Suspect Jenkins was later transported to Saint Francis Medical Center for surgery. He was treated and admitted by Doctor Reginald Jones for pneumohemothorax, a closed fracture of one rib on the right side, blunt head trauma, right pulmonary contusion, and a closed fracture of transverse process of lumbar vertebra **[Exhibit I, Saint Francis Medical Report]**.

> **IAB Note:** Pneumohemothorax is medical condition in which blood and gas accumulate in the pleural cavity (thin layer of tissue that covers the lungs and lines the interior wall of the chest cavity).

STATEMENTS

The following narratives are intended only as a synopsis of the interviews. Additional information and precise wording may be obtained by reviewing the audio recordings and verbatim transcriptions.

INVOLVED EMPLOYEE STATEMENTS

DEPUTY CHRISTOPHER CENDERELLI

On June 9, 2021, IAB investigators interviewed Deputy Christopher Cenderelli at the IAB office. Deputy Cenderelli was represented by Attorney Amanda Waters, from the law firm of Rains Lucia Stern St. Phalle, & Silver, P.C.

On September 6, 2020, he and his partner, Deputy [redacted] were working PM shift as 213E. They responded to assist with a vandalism call for service at the location. Deputy Cenderelli was familiar with the location and believed he responded to the location for calls regarding neighbor disturbances and landlord disputes. He coordinated the call with his assisting unit, Deputies [redacted] and [redacted] They arrived simultaneously to the location.

Upon arrival, Deputies Cenderelli and [redacted] contacted the informant (Witness [redacted]) inside the residence. Deputies [redacted] and [redacted] contacted a male (Suspect Jenkins) in front of the residence, who matched the description given in the call. Witness [redacted] stated the male outside (Suspect Jenkins), caused a disturbance and vandalized his vehicle. As he spoke to Witness [redacted], he heard a commotion outside.

Deputies Cenderelli and [redacted] walked outside. Suspect Jenkins appeared irate and yelled to kill him. He gave Suspect Jenkins commands to stand up and face away from them in order to detain him pending a vandalism investigation. Suspect Jenkins did not cooperate with his commands. Suspect Jenkins held a cellphone in his left hand and turned his attention toward him. When he approached Suspect Jenkins to detain him, Suspect Jenkins swung his left hand in a backwards motion, toward his face.

Deputy Cenderelli stepped back to avoid being assaulted by Suspect Jenkins. He punched Suspect Jenkins once on the right side of his face. He believed the punch was effective. Suspect Jenkins momentarily went down on the ice chest which he was sitting on. Suspect Jenkins sat back up, had a bizarre expression on his face, and raised his hands up. At this time, he felt pain to his right hand and noticed his knuckles appeared to be "concaved" **(Involved Employee Cenderelli's IAB Transcript, Page 5).** He believed his hand was broken and he advised the other deputies. Deputy [redacted] punched Suspect Jenkins on the side of his face. He was unable to see exactly which side suspect Jenkins was struck on because Deputy [redacted]s body blocked his view. He was also unsure whether Deputy [redacted]'s punch was effective. He went on to describe Suspect Jenkins to have a similar build as him, at over 6'0" and 200 pounds.

Deputy Cenderelli stepped back to assess his hand. He heard Deputy [redacted] broadcast, on the radio, deputies were involved in a fight. He stepped back, approximately five to ten feet, and broadcasted the address they were at. He believed SCC was having difficulty hearing the address.

Deputy Cenderelli heard one of the deputies yell, "Don't reach for the stick" **(Involved Employee Cenderelli's IAB Transcript, Page 6)**. Suspect Jenkins laid on his stomach and attempted to reach for a broken mop handle, approximately one inch thick, which was off to the corner. To prevent Suspect Jenkins from potentially arming himself with the "stick," he kneed Suspect Jenkins on the right side of his ribcage with his right knee. He aimed for the bottom of the ribcage and liver area. He stated, "It was four times but

every time I struck him, I gave him the command to 'stop fighting.' So it was a knee strike, 'Stop fighting.' Knee strike, 'Stop fighting.' Knee strike, 'stop'—and every time I told him to 'stop fighting,' that was my reassessment of him if he was still thrashing or reaching" **(Involved Employee Cenderelli's IAB Transcript, Page 9)**.

Suspect Jenkins continued to thrash his body and did not comply with the deputies' orders. Deputy Cenderelli believed the fourth knee strike was effective. He heard Suspect Jenkins say, "Okay. I'm done" **(Involved Employee Cenderelli's IAB Transcript, Page 9)**. Suspect Jenkins was subsequently handcuffed. Deputy Cenderelli recalled the positions of the deputies were: Deputy [redacted] was on his left side; Deputy [redacted] was on his right side; he was positioned behind Deputy [redacted]; and Deputy [redacted] was near Suspect Jenkins' feet **(Involved Employee Cenderelli's IAB Transcript, Page 14).**

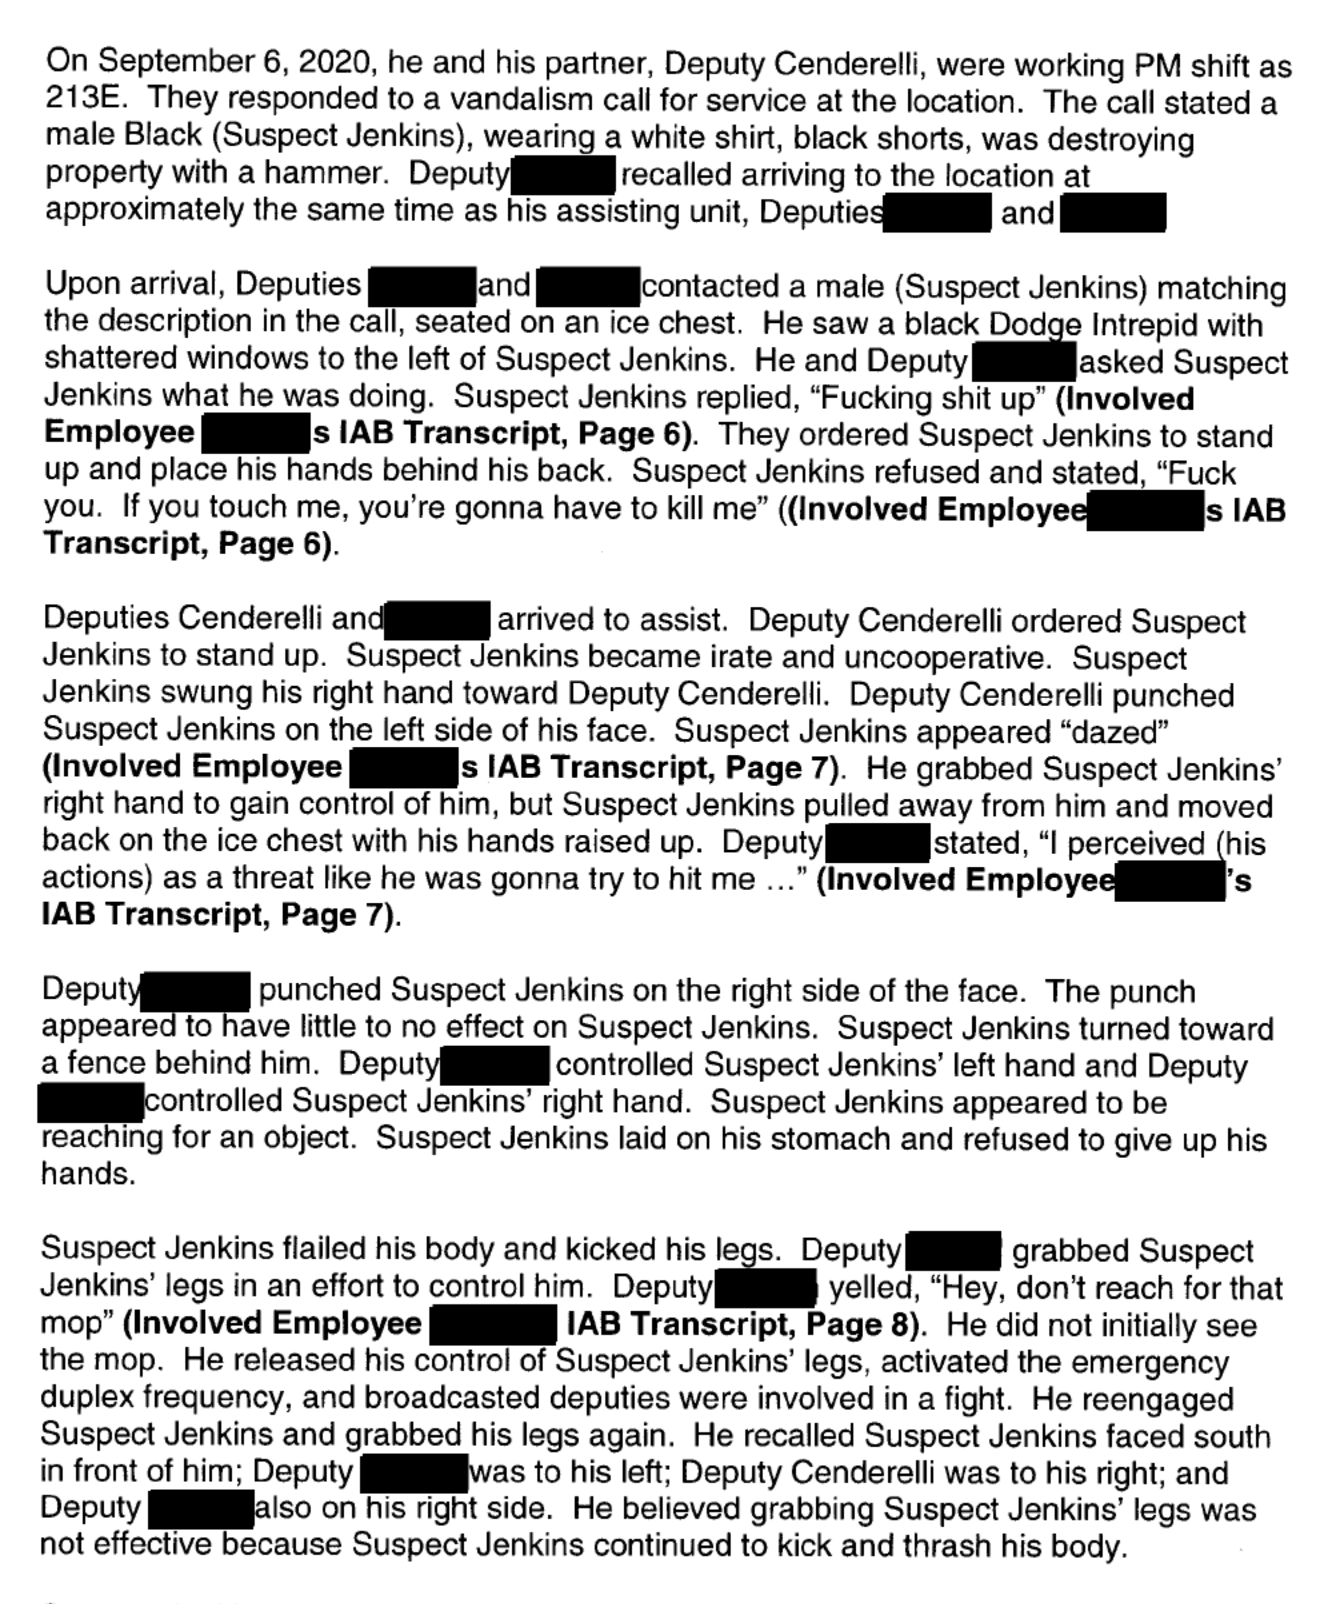

Deputy Cenderelli believed the injury to his hand affected the way he used force. He stated, "Well, I knew that I couldn't punch or even grab with this hand so it wasn't like my hand was effective. And I got three other limbs so I went with what I've been taught in the academy and what I've been taught through force instructor school" **(Involved Employee Cenderelli's IAB Transcript, Page 10)**. He wanted to prevent Suspect Jenkins from arming himself with the stick and assaulting the deputies. He feared if Suspect Jenkins reached for the mop handle, it could have resulted in great bodily injury or a deadly force situation. Adding, he believed Suspect Jenkins was under the influence of a narcotic.

Deputy Cenderelli did not believe there were any other force options available at that time. He did not have a baton on him and did not believe a baton would have been effective in close proximity to his partners. He also did not use his OC spray because he did not want to cross contaminate his partners. He was not assigned a Taser at the time of the incident.

IAB investigators provided Deputy Cenderelli with five photographs of the incident location **[Exhibit L]**. He identified the area where the incident took place. He utilized a red pen and drew a circle on "Photo 1" where Witness [redacted] was contacted. He additionally utilized a red pen and circled on "Photos 3-5" where Suspect Jenkins was contacted near the chain link fence. He was also shown an aerial map of the scene **[Exhibit L]**. He drew a circle where Suspect Jenkins was contacted on the ice chest near the chain link fence **(Involved Employee Cenderelli's IAB transcript, Pages 6-8).**

DEPUTY [redacted]

On June 9, 2021, IAB investigators interviewed Deputy [redacted] at the IAB office. Deputy [redacted] was represented by Attorney Amanda Waters, from the law firm of Rains Lucia Stern St. Phalle, & Silver, P.C.

On September 6, 2020, he and his partner, Deputy Cenderelli, were working PM shift as 213E. They responded to a vandalism call for service at the location. The call stated a male Black (Suspect Jenkins), wearing a white shirt, black shorts, was destroying property with a hammer. Deputy [redacted] recalled arriving to the location at approximately the same time as his assisting unit, Deputies [redacted] and [redacted]

Upon arrival, Deputies [redacted] and [redacted] contacted a male (Suspect Jenkins) matching the description in the call, seated on an ice chest. He saw a black Dodge Intrepid with shattered windows to the left of Suspect Jenkins. He and Deputy [redacted] asked Suspect Jenkins what he was doing. Suspect Jenkins replied, "Fucking shit up" **(Involved Employee [redacted]s IAB Transcript, Page 6)**. They ordered Suspect Jenkins to stand up and place his hands behind his back. Suspect Jenkins refused and stated, "Fuck you. If you touch me, you're gonna have to kill me" (**(Involved Employee [redacted]s IAB Transcript, Page 6)**.

Deputies Cenderelli and [redacted] arrived to assist. Deputy Cenderelli ordered Suspect Jenkins to stand up. Suspect Jenkins became irate and uncooperative. Suspect Jenkins swung his right hand toward Deputy Cenderelli. Deputy Cenderelli punched Suspect Jenkins on the left side of his face. Suspect Jenkins appeared "dazed" **(Involved Employee [redacted]s IAB Transcript, Page 7)**. He grabbed Suspect Jenkins' right hand to gain control of him, but Suspect Jenkins pulled away from him and moved back on the ice chest with his hands raised up. Deputy [redacted] stated, "I perceived (his actions) as a threat like he was gonna try to hit me …" **(Involved Employee [redacted]'s IAB Transcript, Page 7)**.

Deputy [redacted] punched Suspect Jenkins on the right side of the face. The punch appeared to have little to no effect on Suspect Jenkins. Suspect Jenkins turned toward a fence behind him. Deputy [redacted] controlled Suspect Jenkins' left hand and Deputy [redacted] controlled Suspect Jenkins' right hand. Suspect Jenkins appeared to be reaching for an object. Suspect Jenkins laid on his stomach and refused to give up his hands.

Suspect Jenkins flailed his body and kicked his legs. Deputy [redacted] grabbed Suspect Jenkins' legs in an effort to control him. Deputy [redacted] yelled, "Hey, don't reach for that mop" **(Involved Employee [redacted] IAB Transcript, Page 8)**. He did not initially see the mop. He released his control of Suspect Jenkins' legs, activated the emergency duplex frequency, and broadcasted deputies were involved in a fight. He reengaged Suspect Jenkins and grabbed his legs again. He recalled Suspect Jenkins faced south in front of him; Deputy [redacted] was to his left; Deputy Cenderelli was to his right; and Deputy [redacted] also on his right side. He believed grabbing Suspect Jenkins' legs was not effective because Suspect Jenkins continued to kick and thrash his body.

Suspect Jenkins then grabbed the fence. The involved employees gave him numerous commands to stop fighting. Suspect Jenkins refused to comply with the commands and grabbed on to the chain link fence.

Deputy Cenderelli struck Suspect Jenkins with his knee, approximately three times, on his right rib area. Deputy [redacted] believed the knee strikes were effective. Suspect Jenkins stated he was done. Deputy [redacted] held Suspect Jenkins' right arm, while he placed handcuffs on Suspect Jenkins. IAB investigators asked him if he reassessed the situation at any time. He responded, "Well, I mean, like, you're constantly trying to reassess the situation, but at the time, we were actively involved in the fight" **(Involved Employee Gostel's IAB Transcript, Page 13)**. Deputy [redacted] believed Suspect Jenkins was under the influence of a narcotic.

Sergeant Fred Nunes, [redacted], arrived on scene. Deputy [redacted] broadcasted on the radio that no further assistance was needed. He contacted Witness [redacted] afterwards regarding the original call for service. He was unable to locate the hammer mentioned in the call.

Deputy [redacted] did not believe there were any other force options available at that time. He did not use his OC spray because he did not want to cross contaminate his partners and was not assigned a Taser at the time of the incident

IAB investigators provided Deputy [redacted] with five photographs of the incident location **[Exhibit M]**. He identified the area the incident took place. He utilized a red pen and drew an arrow on "Photo 1" where Witness [redacted] was contacted. He additionally utilized a red pen and circled on "Photos 3-5" where the incident with Suspect Jenkins took place, near the ice chest and a chain link fence. He was also shown an aerial map of the scene **[Exhibit M]**. He drew a circle where Suspect Jenkins was contacted on the ice chest near the chain link fence **(Involved Employee [redacted]s IAB transcript, Pages 5-6)**.

DEPUTY [redacted]

On June 9, 2021, IAB investigators interviewed Deputy [redacted] at the IAB office. Deputy [redacted] was represented by Attorney Amanda Waters, from the law firm of Rains Lucia Stern St. Phalle, & Silver, P.C.

On September 6, 2020, he and his partner, Deputy [redacted], were working PM shift as 214E. They responded to a vandalism call for service at the location. Deputy [redacted] and his partner were assigned to assist the handling unit, Deputies Cenderelli and [redacted].

Upon arrival, Deputies [redacted] and [redacted] met Deputies [redacted] and Cenderelli in front of the location and talked about the plan to detain Suspect Jenkins if he was seen. He and Deputy [redacted] walked down the long driveway leading to the location listed in the call. Deputies Cenderelli and [redacted] went inside the residence to locate the informant (Witness [redacted]). He and Deputy [redacted] encountered Suspect Jenkins sitting on an ice chest in front of the residence. There was a vehicle nearby which was damaged.

He described the lighting as low because it was dark outside and there was no light coming from the house. He stated, "It was pretty dark in that little corner so it was kind of hard to see exactly what else was around him" **(Involved Employee [redacted]'s IAB Transcript, Page 9)**.

Deputy [redacted] approached Suspect Jenkins to determine if he was in fact the suspect in the call. He asked Suspect Jenkins if he was the person who called the police. Suspect Jenkins said no. He asked Suspect Jenkins if he lived at the location. Suspect Jenkins responded, "Why the fuck do you want to know?" Deputy [redacted] then asked what happened to the vehicle. Suspect Jenkins replied, "I fucked it up with a hammer" **(Involved Employee [redacted] IAB Transcript, Page 6)**.

Deputy [redacted] described Suspect Jenkins as being over six feet tall, approximately 230-240 pounds, and very aggressive. Suspect Jenkins was wearing baggy clothing and although the call stated the suspect was in possession of a hammer, deputies were unable to search him for weapons until after he was handcuffed. Deputy [redacted] stated Suspect Jenkins was yelling and screaming and acting very hostile toward them. When Suspect Jenkins began yelling, Deputies [redacted] and Cenderelli came outside to assist them. He asked Suspect Jenkins to place his hands behind his back; however, Suspect Jenkins said, "Fuck you! Kill me!" **(Involved Employee [redacted]'s IAB Transcript, Page 7)**. Suspect Jenkins stood up quickly and took a fighting stance, from about two feet away and within arm's reach, of Deputy [redacted] and him.

As Deputy Cenderelli approached, Suspect Jenkins swung his fist at Deputy Cenderelli, missing him. Deputy [redacted] attempted to grab Suspect Jenkins' left arm and then punched Suspect Jenkins five to eight times on the left side of his face. When asked if he reassessed as he punched Suspect Jenkins, he stated after punching Suspect Jenkins he told Deputy [redacted] to get on the patch to broadcast deputies were involved in a fight. He assessed different angles from which he could hold onto Suspect Jenkins to prevent further assault. Adding, he reassessed after the initial volley of five to eight punches. He did not believe his punches were effective.

Deputy [redacted] stated Suspect Jenkins was actively fighting them by swinging his arms and kicking his legs. Suspect Jenkins laid on his side, across the large ice chest he was previously sitting on, while his knees were on the ground. Suspect Jenkins reached for a broken broom stick which was next to the ice chest. He described the broomstick as broken and splintered. He punched Suspect Jenkins an additional five to eight times to prevent him from grabbing the broomstick. He reassessed and put his right hand on Suspect Jenkins' right arm in an attempt to keep him from grabbing the broken broomstick, which was only inches away from Suspect Jenkins **(Involved Employee [redacted]'s IAB Transcript, Pages 14-15)**. He could not see what the other involved deputies were doing because his focus was on what Suspect Jenkins was trying to grab.

Deputy [redacted] stated he was able to place Suspect Jenkins' right arm behind his back

and an unknown deputy put Suspect Jenkins' left arm behind his back. He was unsure which deputy actually handcuffed Suspect Jenkins.

Deputy [redacted] was asked if he witnessed any uses of force by any of the other deputies present. He said he saw a deputy knee strike Suspect Jenkins on his left side once or twice; however, he did not see which deputy it was.

IAB investigators asked Deputy [redacted] what he was trying to accomplish by grabbing Suspect Jenkins' arm. He stated he was trying to prevent Suspect Jenkins from arming himself and to ultimately get him in handcuffs. He was also asked what the goal of his punches to Suspect Jenkins were. He said his punches were used in self-defense and to stop Suspect Jenkins from actively fighting with them.

IAB investigators provided Deputy [redacted] with two photographs of the incident location **[Exhibit N]**. Deputy [redacted] identified the area the incident took place. He utilized a red pen and marked an "X" on "Photo 1" where the incident took place and he drew a circle were Suspect Jenkins was contacted. He additionally utilized a red pen and drew a circle on "Photo 3" where Suspect Jenkins was contacted near the chain link fence. Deputy [redacted] was also shown an aerial map of the scene **[Exhibit N]**. He marked an "X" where Suspect Jenkins was located on the ice chest near the chain link fence **(Involved Employee [redacted]'s IAB transcript, Page 5)**.

DEPUTY [redacted]

On May 28, 2021, IAB investigators interviewed Deputy [redacted] at the IAB office. Deputy [redacted] was represented by Attorney Amanda Waters, from the law firm of Rains Lucia Stern St. Phalle, & Silver, P.C.

Deputy [redacted] was assigned to Community Oriented Policing Service (COPS) Bureau. He was temporarily assigned to Century Station as part of a TORA. On September 6, 2020, he and his partner, Deputy [redacted] were working PM shift as 214E. They responded to assist with a vandalism call for service at the location. The call indicated a male Black, approximately 30 years old, vandalized the residence with a hammer. Deputy [redacted] did not recognize the incident address as a location on any calls for service he had responded to in the past **(Involved Employee [redacted]s IAB Transcript, Pages 3-4)**.

Deputy [redacted] recalled the call was coordinated by the handling unit, Deputies Cenderelli and [redacted]. He recalled being asked his location and directed to a designated meeting point near the front of the location so the involved employees could approach together. The call was updated and stated the male was now seated outside on an ice chest.

Deputies [redacted] and [redacted] arrived approximately four minutes after the call was dispatched. He recalled arriving at the location at almost the same time as Deputies

Cenderelli and [redacted] Upon arrival, he saw Suspect Jenkins on the phone and sitting on an ice chest. He and Deputy Cenderelli went inside the residence to contact the informant (Witness [redacted]) of the call. Deputies [redacted] and [redacted] contacted Suspect Jenkins.

Witness [redacted] called Century Station because Suspect Jenkins was destroying the residence with a hammer. A day or two prior, Suspect Jenkins also vandalized Witness [redacted]' vehicle. While he spoke with Witness [redacted] he heard yelling and screaming. He and Deputy Cenderelli went outside to investigate.

Suspect Jenkins yelled, "If you touch me, you're going to have to kill me" **(Involved Employee [redacted]s IAB Transcript, Page 7)**. Deputy [redacted] attempted to establish communication with Suspect Jenkins in an effort to de-escalate the situation. The deputies decided to detain Suspect Jenkins and asked him to stand up. Suspect Jenkins yelled, "Fuck you. I'm not listening to you. You're gonna have to fucking kill me" **(Involved Employee [redacted]'s IAB Transcript, Page 8)**. Suspect Jenkins remained seated. Deputy [redacted] believed removing Suspect Jenkins from the location provided a tactical solution because Suspect Jenkins was not searched for the hammer or any other possible weapons.

Deputy Cenderelli approached Suspect Jenkins. He reached for Suspect Jenkins' left hand. Suspect Jenkins appeared angry and yelled at the deputies. Suspect Jenkins swung his left hand toward Deputy Cenderelli's face, while he held a cellphone. Deputy [redacted] stood on the left side of Deputy Cenderelli, and approximately four feet south of Suspect Jenkins. Deputy Cenderelli moved back and was not hit. Deputy Cenderelli punched Suspect Jenkins on the left side of his face with his right hand. The punch did not appear to have any effect on Suspect Jenkins.

Suspect Jenkins pushed himself up and slid to the right side of the ice chest. He brought his hands up, clenched his fists, and bladed his body to the right side. Suspect Jenkins continuously yelled, "Fuck you. Fuck you" **(Involved Employee [redacted]'s IAB Transcript, Page 9)**. He believed Suspect Jenkins was taking a fighting stance and had no intention of listening to the commands given by the deputies. At that point, Deputy [redacted] believed Suspect Jenkins displayed objective signs of someone under the influence of a stimulant. Deputy [redacted] did not believe Suspect Jenkins was mentally impaired.

After Deputy Cenderelli punched Suspect Jenkins, he stepped back. Deputy [redacted] believed Deputy Cenderelli possibly hurt his hand. Suspect Jenkins extended an arm and reached for a little fence. Deputy [redacted] stood to the left of Suspect Jenkins and attempted to grab Suspect Jenkins' arm off the fence to prevent him from standing up. Deputy [redacted] was nervous when he went to detain Suspect Jenkins because of his larger size. Deputy [redacted] described Suspect Jenkins as over six feet tall and weighing approximately 230 pounds **(Involved Employee [redacted]'s IAB Transcript, Pages 9-11)**.

Deputy [redacted] was unable to break Suspect Jenkins' grip from the fence. He reassessed the situation to determine if there was a different position to move his body in order to gain an advantage on Suspect Jenkins. Deputy [redacted] was unable to reposition himself. Suspect Jenkins became more aggressive and moved his body back and forth. Deputy [redacted] felt Suspect Jenkins' body pushing up against him in an effort to stand up **(Involved Employee [redacted]'s IAB Transcript, Page 11)**.

Deputy [redacted] ordered Suspect Jenkins to give him his hands. Suspect Jenkins refused and yelled again for the deputies to kill him as he tried kicking his legs outward. While Suspect Jenkins held onto the fence with his right hand, he attempted to punch with a sideways motion with his left hand toward them. He struck Suspect Jenkins twice on the left side of his face using his right hand/fist. He continuously gave Suspect Jenkins commands to give up his hands. Suspect Jenkins moved his body back and forth in an attempt to use the fence as leverage to stand up. He was concerned about the tight position they were in because they had not yet searched Suspect Jenkins for weapons **(Involved Employee [redacted]'s IAB Transcript, Pages 11-12)**. He recalled a deputy broadcast deputies were involved in a fight almost immediately as he and Deputy [redacted] were engaged with Suspect Jenkins **(Involved Employee [redacted]'s IAB Transcript, Page 14)**.

Deputy [redacted] used his right hand and punched Suspect Jenkins twice on the left side of his face. After he struck Suspect Jenkins, he reassessed. He gave Suspect Jenkins commands to give up his hands and to stop fighting. He did not believe the punches had an effect on Suspect Jenkins. He was on top of Suspect Jenkins and used his body weight in an attempt to control Suspect Jenkins' right hand. Suspect Jenkins turned to his right side and he lost his grip of Suspect Jenkins' hand.

Deputy [redacted] heard one of the deputies say, "Don't grab the stick" **(Involved Employee [redacted]s IAB Transcript, Page 13)**. He looked up and saw on his left side, a broken wooden stick with sharp edges, approximately four feet in length, leaning up against the fence, approximately one foot away. Suspect Jenkins reached for the stick. He was concerned Suspect Jenkins would grab the stick and hit either him or Deputy [redacted]. He stated, "At this point, my assessment of that was now our category force is gonna change real quick and to me that would have been deadly force" **(Involved Employee [redacted]'s IAB Transcript, Page 14)**.

Deputies [redacted] and [redacted] ordered Suspect Jenkins not to reach for the stick. Suspect Jenkins refused to comply and reached for the stick. He punched Suspect Jenkins twice on the left side of his face to prevent him from reaching for the stick. He paused, and looked to see if he would be able to control Suspect Jenkins' hands. Suspect Jenkins continued to ignore commands and reached for the stick. He punched Suspect Jenkins in the face, again, one time. Suspect Jenkins yelled, "Okay. Okay" **(Involved Employee [redacted]'s IAB transcript, Page 14)**. He grabbed Suspect Jenkins' right hand and with the help of Deputy [redacted] they were able to handcuff him.

He recalled Suspect Jenkins being escorted from the location by approximately four or five deputies and was treated on scene by fire department personnel.

Deputy [redacted] explained he utilized personal weapons because he was not assigned a Taser at the time of the incident. He did not believe the level of force arose to the level which required the use of a baton. He also believed the use OC spray would not be effective due to the close proximity of his partners. He stated, "I wanted to try and control this guy with my hands and my weight, my body weight, as best I could" **(Involved Employee [redacted]'s IAB transcript, Page 15).**

Deputy [redacted] recalled the involved employees' positions during the incident. He faced Suspect Jenkins, with Deputy [redacted] to the left of him while Deputy [redacted] was behind them. He additionally recalled Suspect Jenkins' face appeared swollen after the incident. He was also injured during the incident. He did not believe his injury affected his punches because he could not feel any pain. He stated, "I was so concerned of not losing control that I couldn't feel anything. I was nervous. This guy was probably one of the biggest guys I've ever been in a fight with and I was really scared of losing the advantage because we were already down one deputy, from my understanding" **(Involved Employee [redacted]'s IAB transcript, Page 17).**

IAB investigators provided Deputy [redacted] with two photographs of the incident location **[Exhibit O]**. He identified the area the incident took place. He utilized a red pen and marked an "X" on "Photo 1" where Witness [redacted] was contacted.
